

EXPERIENCE

HARRIS HEALTH SYSTEM GN RESIDENCY PROGRAM

**SUMMER SESSION
BEGINS
July 19, 2021
Applications open Feb. 1**

Harris Health System offers two nursing residency programs in **Spring/February and Summer/July**

Harris Health System GN Residency Program is a two (2) tier application process.

- I. Complete an [online application](#) to: **Graduate Nurse Residency Program - Summer 2021 #153603**
- II. Submit Residency Requirements as listed below upon completion of the online application as one (1) PDF FILE via email: GNPROGRAM@harrishealth.org

Application deadline date to complete BOTH steps: February 19
LATE APPLICATIONS and/or INCOMPLETE GN PACKET will NOT be accepted

Residency Requirements for the GN PACKET (Step II):

- Graduate nurse with less than one (1) year experience
- GN Survey Questionnaire (HR will provide upon successful completion of Step I)
- Current copy of resume
- Graduate from an accredited school of nursing
- Current **“unofficial”** nursing school transcript (Official transcript to be submitted upon hire)
 - * Ideal candidate will have a GPA of 3.0 or greater
- GN Permit or RN license from the state of TX **prior** to beginning employment
- Current AHA/BLS Healthcare Provider
- Two (2) professional letters of recommendation (*examples*: current nursing faculty/supervisor or previous employer)

Harris Health System provides comprehensive Day-1 benefits along with a RN Student Loan Repayment program (offered upon residency completion), incredible career and educational opportunities along with a highly competitive salary.
