

HARRISHEALTH SYSTEM

Are you ready to take your nursing career to the next level?

We're here for our community's most vulnerable. This is your chance to work with some of Houston's most skilled and highly respected medical professionals in a collaborative learning environment designed to help you achieve your career goals through our:

Nursing Clinical Advancement Program

Hospital-supported medical-surgical certification programs

Community of Practice, giving nurses authority at the unit level

Nurses Networking Event

April 26 | 1 – 4:30PM

Space is limited. For event details, you must RSVP with your resume to nurserecruiter@harrishealth.org. Free parking with validation.

Please plan to join us for this special event.
