

# FACT SHEET

At Harris Health System, we champion better health for our patients, their families and our community, by connecting all to an integrated healthcare system that provides high-quality healthcare.

Harris Health System focuses on the delivery of primary care, wellness and prevention services to the residents of Harris County, Texas, through its extensive network of 39 inpatient and outpatient facilities.

**Mission Statement:** Harris Health is a community-focused academic healthcare system dedicated to improving the health of those most in need in Harris County through quality care delivery, coordination of care, and education.

**Vision Statement:** Harris Health will become the premier public academic healthcare system in the nation.

Harris Health is a recipient of the prestigious National Committee for Quality Assurance designation for its patient-centered medical homes, and provides for more than 1.6 million outpatient clinic visits a year.
