

BASIS International School Park Lane Harbour

Overlooking the South China Sea's Xiaojing Bay, BASIS International School Park Lane Harbour is nestled in the hills of a master-planned beach community in the municipality of Huizhou. The campus opened in 2018 to students in grades 5-9, and now offers courses through Grade 12. Park Lane Harbour is the second BASIS International School to offer boarding.

The serene campus has excellent facilities, including state-of-the-art classrooms, soccer field and track, gymnasium, indoor swimming pool, expansive library, Apple computer lab, black-box theater, and boarding facilities for students. The school offers teachers beautiful local accommodations, and is also close to the beach, restaurants, coffee shops, offering easy access to numerous outdoor activities. Park Lane Harbour is a 1.5 hour car ride from Shenzhen and Hong Kong.

"BASIS International School Park Lane Harbour does not feel so much like a school as it does a community. The faculty, staff, and students are very welcoming and in many ways, it is like joining a new family. It is obvious everyone feels a great sense of pride in the school and that care is the operative word here. I have never seen a healthier school in terms of air quality, surrounding beauty, space, facilities, and location.

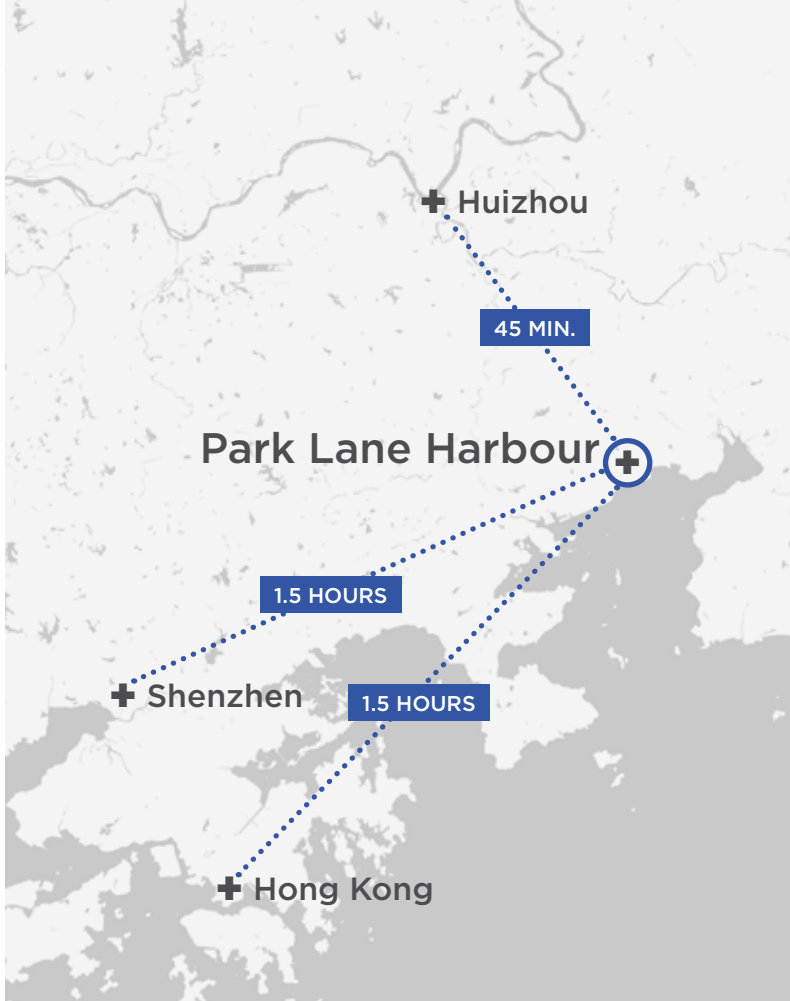

BASIS International School Park Lane Harbour is such a wonderful school, and I look forward to leading us to becoming the finest boarding school in all of China."
