**5. AUTHORIZATION AND SIGNATURE**

I hereby authorize payroll deduction of plan contributions in accordance with the level(s) I have indicated in this form. I understand this constitutes a "cash or deferred arrangement" under section 401(k) of the Internal Revenue Code and that my contributions are subject to the withdrawal restrictions of the plan. By authorizing a payroll deduction, I understand I am electing to contribute a portion of my salary to the The Technology Consulting Inc. 401(k) Profit Sharing Plan. I understand that certain limitations are imposed on my contributions by Federal law and that my contributions may be refunded to comply with these laws. I further agree that neither Technology Consulting Inc., the plan trustee, nor their affiliates will be liable for any loss when acting upon my instructions believed to be genuine.

I understand I have a duty to review my pay records (pay stub, etc.) to confirm the plan administrator has properly implemented my contribution election(s). Furthermore, I have a duty to inform the plan administrator in writing if I discover any discrepancy between my pay records and the election(s) I have made in this enrollment/change form. I understand I may modify my contribution rate prospectively, at the time I notify plan administrator in writing, consistent with the plan terms. Notification of a discrepancy must be received within four weeks of first contribution, otherwise we will assume you are in accordance with said elections.

**IMPORTANT NOTES**

- If you exceed IRS/plan limits (limits apply to the sum of before-tax and after-tax 401(k) contributions), the excess will be automatically re-characterized as Catch-up Contributions, up to the limit for Catch-up Contributions for the year unless you do not satisfy the age and contribution requirements to make Catch-up Contributions. In that case, excess contributions will be returned to you and may result in additional taxable income to you. Please consult with your tax advisor in the event you exceed IRS/Plan limits.
- With the exception of one-time deductions, your Catch-up Contribution election will carry over from year to year.
- The investment mix of Catch-up Contributions will be the same as your regular before-tax contributions. The IRS/plan limits may affect the amount you can contribute to the plan each year.
- If you are making Catch-up Contributions but do not satisfy both the age and contribution requirements, your Catch-up Contributions will be re-characterized as regular contributions at the end of the year.
- Catch-up Contributions will be allocated in the same proportion as your total elective contribution. For example, if you have elected to contribute 6% to your traditional 401(k) account and 4% to your Roth 401(k) account, 60% of your total elective contribution will be directed into your traditional 401(k) account and 40% will be directed into your Roth 401(k) account. If you make a Catch-up Contribution of \$6,500, \$3,900 ( $\$6,500 \times .60$ ) of your Catch-up Contribution will go into your traditional 401(k) account and \$2,600 ( $\$6,500 \times .40$ ) of your Catch-up Contribution will go into your Roth 401(k) account.
