

## Nursing Opportunities Main Operating Room

**W**hen you're part of the operating room team at Community Hospital of the Monterey Peninsula, you get the best of all worlds: A progressive hospital where OR nursing skills are valued, located in a place known internationally for its beauty.

The work is interesting and challenging; our OR nurses scrub and circulate. Our eight operating suites handle 14–25 surgeries a day, including total joint replacement, spine and other neurologic cases, bariatrics, cancer, complex ENT procedures, and a growing number of urology cases. We also have a respected open-heart surgery program. (Outpatient surgeries are usually handled by a separate staff, in our Outpatient Surgery Center.)

### **Community Hospital offers:**

- Competitive salaries
- Excellent benefits
- Unique scheduling options, including dedicated weekend teams
- Relocation assistance

We are a community hospital in the best sense of the word, with deep ties to the area and its residents, and a warm, welcoming environment. We are also a forward-thinking hospital, with leadership committed to quality, innovation, and evidence-based best practices. Community Hospital is a Joint Commission Top Performer in five areas, including surgical care, has a four-star rating from Medicare for patient perception, advanced accreditation for stroke and inpatient diabetes, is a chest pain center, a center of excellence for bariatrics, and a Blue Distinction Center for knee and hip replacement.

And did we mention our location? Community Hospital has been named one of the most beautiful hospitals in the world, set in one of the most beautiful places in the world, where Monterey, Pebble Beach, Carmel, and Pacific Grove meet. The ocean, coastal mountains, and moderate climate lend themselves to outdoor activities including running, hiking, biking, golf, and surfing.
